

Vote **NO**

WE ♥
UON

We can do better.

#WeAreUON #BetterUnis

Here's just some of the problems with the proposed agreements:

Less secure jobs

- > No new balanced academic roles for casual staff
- > No improved fixed-term conversion rights
- > Weakens restructure & job protections

No workload relief

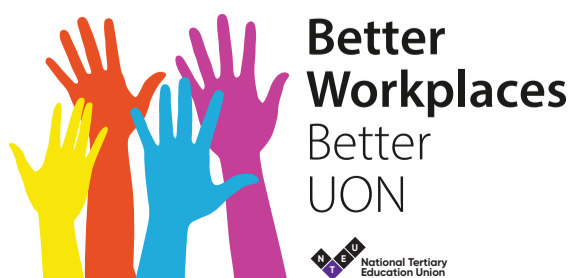

- > 7am-7pm professional/teacher staff hours span
- > No new protections against excessive workloads

Real pay cut

- > Only 2.5% p.a., a real pay cut
- > WSU won 3.7% p.a.; ACU won 3.6% p.a.

A NO vote gets us back to the bargaining table to work on a fair outcome for everyone.

We've been through a tough time at UON. We badly need more collegiality, cooperation and respect. It's so disappointing that UON management is instead forcing a take-it-or-leave-it ultimatum.
